

K.M. Mathew is responsible for aligning all company policies, corporate & government relationships in line with business interests. He has 30 years of vast experience in the real estate, hotel and spa industry. K.M. Mathew has already executed millions of dollars' worth of transactions involving both residential and commercial properties in India and abroad.

He had initially started as a popular Real Estate Manager and then evolved as its General Manager in the Middle East. Then later transformed his career by starting his own business into travel and tourism and furthermore into IT related sectors, power equipment manufacturing, & solar technologies. But he was more interested and involved in his family real estate business ever since then. He was a major pioneer in Internet applications and as a major service provider during the late 90's. This refined him into a seasoned management and leader. He focuses on both public and private sectors predominantly and as well in innovative IT and tech new generation systems. Very recently he started successfully exploring Robotics and other technology as well. He is a qualified Engineer and also holds a degree in Hotel Management. K.M. Mathew has undergone professional training in Real Estate Management as well.

*Motto: Experience qualifies if it's rightly invested, utilized and connected.*
